Product Description:

Haakaa's Wool Baby Hairbrush provides a gentle way to care for your little one's scalp while promoting healthy hair growth. With our eco-friendly wood brush, you can keep their scalp stimulated, help limit cradle cap, generate blood flow and remove dandruff, all while giving them a relaxing head massage.

Our much-loved Wool Baby Hairbrush has beautifully soft bristles to soothe your baby's scalp and gently untangle their delicate hair. This product makes a beautiful baby shower gift that is sure to be treasured by any new parent.

Features:

- Made with natural wool and wood.
- Easy-grip ergonomic handle.
- Soft woollen bristles prevent itching and scratching.
- Stimulates blood flow to encourage hair growth.
- Helps to limit and reduce cradle cap.
- Provides a soothing scalp massage to relax your child before bedtime.
- Features a hole on the handle for easy storage.
- Untangles hair gently.
- One-piece design that's easy to use and care for.

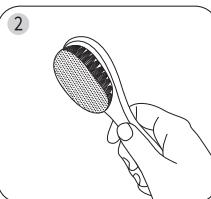

Cleaning and Care:

Woollen bristles can be washed with shampoo and conditioner. Please be careful not to get the wooden handle wet to avoid cracking or damage. Hang up to dry. To avoid the risk of mould after washing, ensure brush is dried thoroughly in a well-ventilated area. The storage bag can be thrown into the washing machine on a cold, delicate cycle. Do not use any bleach-based cleaners to clean this product. Store product in a cool, dry place and avoid direct sunlight.

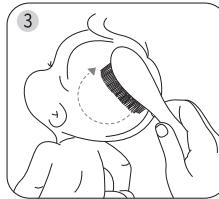

Instructions:

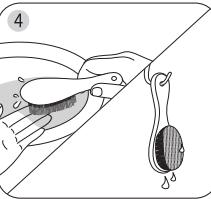

Support your baby sitting upright or gently lie them down.

Hold the brush comfortably and firmly in your hand.

Using very gentle pressure, brush baby's hair or softly massage scalp in slow circular motions.

AFTER USE: Clean brush according to instructions if soiled, then hang up to dry.

PLEASE NOTE: Natural wood and wool products vary in colour and may have a slight smell, which will fade over time. As our Wool Baby Hairbrush bristles are attached to the brush head with a press instead of glue, some bristles may fall out over time.
